IN RE THE MATTER OF
KYMBERLY JOHNSON

JASON B CASTLE

AND

JEFFREY N COCKER

BARBARA L FUQUA

MINUTE ENTRY

The Court received Petitioner's proposed Judgment for Child Support Arrears, Respondent's response and Petitioner's reply. The issue raised in the papers was acknowledged in the Decree entered January 15, 2009; the Court was not provided with any evidence at trial about which months Father actually paid for the children's health and dental insurance because the insurance lapsed for some period of time after Father moved to Hawaii. The approximate cost for coverage was \$400 per month, regardless of which party paid, or will pay, for it.

THE COURT FINDS that Mother is entitled to child support arrears in the amount of \$11,721.04 as of February 1, 2009, and that Father is entitled to an offset of the full amount he paid for the children's medical and dental coverage to the extent he has evidence that he actually paid the premiums. The offset is for the period of time between November 1, 2007 and January 31, 2009. Father has not provided evidence to the Court to support a finding on the exact amount of his offset.

IT IS ORDERED that, within 30 days of the entry of this order, Father shall provide to Mother proof of any and all medical and/or dental premiums paid on behalf of the children between November 1, 2007 and January 31, 2009. Mother shall reduce the child support arrearages by that amount and lodge a proposed judgment no later than May 15, 2009. If Father

objects to the lodged judgment, his response shall include proof of his payments so the Court has the evidence necessary to render a final decision on this issue.

IT IS ORDERED signing this minute entry as a formal written Order of the Court, pursuant to Rule 81, Arizona Rules of Family Law Procedure.
